

**Millwork Concepts
Wood Door Warranty**

2/9/2007

Warranty Covers:

- 1) Product compliance with measurements and tolerances specified in the confirmed order.
- 2) Product free of defects in materials and workmanship.

Warranty Does Not Cover:

- 1) Freight damage.
- 2) Damage caused by attempts other than Millwork Concepts to repair the Product.
- 3) Failure or damage caused by handling, storage, finishing or improper installation.
- 4) Trimming more than a total of three-quarter of an inch of the Product.
- 5) Problems caused by failing to seal all six sides of the Product immediately after any cutting and fitting prior to installation. Four edges must be sealed when storing the door more than 3 days at the installation location.
- 6) Defects caused by miss-alignment in the frame or jamb.
- 7) Damage from non-performance of normal maintenance.
- 8) Normal and natural color or texture variations in the wood and their effects on the Products' appearance.
- 9) Any undesired results resulting from field painting or finishing.
- 10) Any warping not exceeding 1/4" in the plane of the door for doors up to three-feet x seven-feet. Any warping not exceeding 3/8" in the plane of the door for doors over three-feet x seven-feet
- 11) Panel shrinkage. Panels are designed to move or "float". Temperature and or humidity changes may cause the wood panels to move or shrink, resulting in minor exposed unfinished areas around the panels.
- 12) Minor expansion or contraction resulting from environmental conditions.
- 13) Any damage caused by others or conditions outside the control of Millwork Concepts
- 14) Doors shipped outside the United States.

**Millwork Concepts
Wood Door Warranty**

2/9/2007

If the product does not comply with this warranty for a period of one year from the date of purchase, Millwork Concepts will, at its option, replace or repair the Product to the same conditions it was initially supplied by Millwork Concepts.

Millwork Concepts is not responsible for handling, shipping, removal, finishing, labor or installation costs or any other costs incurred in replacing the Product. Millwork Concepts is not responsible for indirect, consequential or incidental damages.

Millwork Concepts does not offer any other warranty, expressed or implied. This warranty sets forth Millwork Concepts total obligation and liability which shall not exceed the purchase price of the defective product.
